INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

App. #14152.

July 29, 1907.

Fields Osborn,

R.F.D. No. 1, Box 18,
Laurel Springs, N. C.

Sir:-

Replying to your letter of July 16, 1907, you are advised that the application of Florence Osborn has been received and filed as No. 14152.

You are further advised that the applications have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Your stamped envelope is returned to you, herewith.

Very respectfully,

Special Commissioner.

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

No. 14293.

BENJAMIN BAKER, being first duly sworn, deposes and says:

My name is Benjamin Baker; I am 79 years old; I live about 6 or 8 miles below here. I was born close to the mouth of the Ararat River, near where I am now living. I have known Wm. Revels pretty near all xy his life. I remember when he first came to this country. He came with his father and mother, brothers and sisters, and his uncle. They moved into the neighborhood where I was. His mother's name was Polly Revels. I have talked with her hundreds of times; I don't recollect ever hearing her say where she came from, but I recollect her say she was Indian, but don't think I ever heard her say what kind of an Indian she was. I have heard her husband say he was kin to the Indians, but he did not say what tribe. I heard Wm. Revels speak of the Cherokee Indians a long time ago; I can't tell how long ago it was. I was asked to come here by Mr. Whittaker and by Wm. Revels, as a witness for them.

WILLIAM WHIT, being first duly sworn, deposes and says:

My name is William Whit; I was 94 years old last Sunday two weeks ago; I live close to Pilot Mt. I have been here some 40 years; before that, I lived about three miles, in this county, at Stony Ridge. Before that, I lived across the river in Surry Co. I was born in old Virginia, Brunswick Co. I was quite small when I come here,-- about three or four years old. Then I came from Old Virginia into Randolph Co.; and I moved to this county before the war, when I was grown and had a family. I have known Wm. Revels 50 years. I did not know his mother; I remember seeing his father a time or two, but was never acquainted with him like I was with the boys. It has been about 10 or 12 years ago when I first heard that he was Indian (referring to Wm. Revels); I don't know that I ever heard him say to what tribe of Indians he belonged. The Revels were generally called Indians. They never voted that I know of. They never mustered, because they were regarded as Indians.

WILLIAM COLEMAN REVELS, being first duly sworn, deposes
and says:

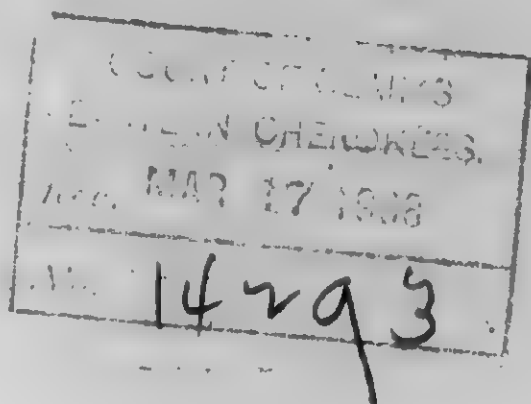

My name is Wm. Coleman Revels: I will be 70 years old the 29th of next month; I live at Pilot Mt., N. C. I was born in Robeson Co., N. C. I have been living at Pilot Mt. 9 years, and in Surry Co. since 1848. When living in Robeson Co., I knew nothing of the Catawba Indians. My mother was Polly Bryant before she married; she belonged to the Cherokee Indians. I never did hear my father say what race of Indians he belonged to; he says he was a sixth part Indian. My grandmother was a full blood Cherokee Indian. My mother was born in Robeson Co., within five miles of Lumberton. Her mother was born there, too. I knew my grandmother; I was just 7 years old when she died. My mother came with me to Surry Co. I can't tell you what other Cherokee Indians lived down there; I was quite small when I left there; all I know is what my father and mother told me; they told me my grandmother was a full-blood Cherokee Indian. I don't remember any other Indians living around Lumberton. I never heard how my grandmother's folks come to get down in Robeson Co. I never tried to be enrolled as an Indian until now. I did not hear anything about the Cherokees being enrolled in 1883 or 1884. I think my mother was enrolled in 1851; she was known as Polly Revels then; she was not known by any other name that I recollect. It was Wm. Lovell that enrolled her; she was not paid any money at that time. I have heard of the Cherokee Indians ever since I can recollect. If there was any other tribe of Indians living in Robeson Co., I never heard them called. The Cherokee people lived right the other side of the big swamp from us, about 12 or 15 miles. It was in the same county, Robeson Co. They always told me that that was the band of Indians that my grandmother belonged to. I did not know how many Indians there were across that swamp, but suppose there must have been a good number of them from what I heard. This swamp was East of Lumberton, and it was on the further side of Lumberton (further east) where these Indians were. My grandmother went over there to visit them; I have heard my mother say that her mother had gone over the other side of the swamp. I never lived with that band of Indians myself; I was just 10 years old when we left there. My grandmother's name was Soytha Bryant; I could not tell what her name was before she was married. My father came with me to Surry Co., as did one of his brothers and his family. I never applied to have a share of the Cherokee lands out in Indian Territory. I never voted. My father never voted since I can recollect.

You have on file in this office application #14161 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your great grandfather, whose name was Milley Qualls.

Sir:-

Again referring to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokee Indians, you are advised that from the statements you have made, it is impossible to connect you with the Eastern Cherokee Indians by blood. It will, therefore, be necessary for you to furnish this office with the names and postoffice addresses of at least two reputable witnesses who were acquainted with your mother and will testify that she was an Eastern Cherokee Indian by blood, and a recognized member of the Eastern Cherokee tribe of Indians at the time of the treaty of 1855-6 or 1846.

You should also state why your mother was not enrolled with the Eastern Cherokees in 1835 or 1853.

As this matter is now under special consideration, it will be necessary for you to furnish this information immediately, or your claim will be marked for rejection.

Respectfully,

Wm. T. Spears being first duly sworn, deposes and says:

That I am 56 years of age and live in Hot Springs Co., Ark. I claim my Indian descent through my mother; my father was a white man. My wife is a white woman. My mother's mother claimed to be Indian. Her name was ~~Mary~~ Millie Qualls. The first man she married was named Boyles. Then she married a man named Smith. My mother was born and raised in Cherokee Co., Ga., I reckon. Don't know when she left there. I left there when I was a kid and she left soon after and went to Mo. My grandmother was living in 1868 but I don't know when she died. The Indians had gone before my time, and I have heard my mother and grandmother say that they (my grandmother and great grandmother) lived with the Indians up to the time they were married. They all married white people. Never heard that any of my ancestors were ever on any roll. I left there when I was small and I don't know anything about them. I never lived with the Indians and never received anything from the government. ~~My grandmother had brothers John and David Qualls were my great grandmother's brothers.~~ I am recognized as a white man with some Indian blood. I never made application to the Dawes Commission. This is my only application. I think my grandmother lived with the Indians in Pickens Co., Ga. I think my ~~mother~~ mother was married about 1835. I think my grandmother's name in 1835 was Smith.

Sallie Blackbear being first duly sworn through, Tom Reach Interpreter, in behalf of her mother, Jennie Archilla, deposes and says:

I was born right after the war. Jennie Archilla is my mother. My mother was an Emigrant. My mother's name in 51 was Ji-nih Choo-kee-oskk or Getting Away. My father was named Ar-chil-luh. My mother and Ar-chil-luh were living together in Saline District in 51. They had one child that was born about the time of the payment but I think it was born to late to be on the roll. Its name was De-lan-dee-ske. or Starting. Ji-nih's mother was named Ahl-ja-gih and her father was named Choo-koe-osk. Think my mother had a sister named Wah-le-suh. She was older than my mother but think she was living with her parents in 51 as she was never married. My mother is very old and feeble and is now sick so she could not come and we live about 20 miles from here. My mother's Daws Commission number is 27596. My application number is 14189. My mother is a full blood and her and her people have always and are now living with the Cherokees. I think my mother is about 79 years Old. My mother's parents were brought out here by the soldiers. I have always understood that my mother was born the year after her parents were brought out here.

Abraham Bear, being first duly sworn, thru his Interpreter Tom Roach, deposes and says:-

My name is Abraham Bear; Neither of my parents were living in 1851; both of my parents were Emigrant Cherokees: my paternal grandparents were Dah-nah-eand Cha-yuh-yeh. I think she was living by herself in 1851. She was living in Del. District in 1851. (see Del 755 ?) Dah-nah-e was running around from place to place a good deal and may not have been enrolled with anyone in 1851; He lived within a short distance of Watt Cramp (see Del. 750) (See Del. 749 for Dah-gah-yah)

I have heard read the names ~~off~~ on the roll of 1851 near 749 Del. and I recognize a number of them as people living near Dah-nah-e in 1851. (The statement of an Old Witness)

My mother parents were Johnson or John-sin-ne and Ahlie or Ah-lie. I do not know whether my grandfather and grandmother were living together in 1851 or not. The father of my grandmother was Soc-ya-duh. He was living in 1851. Soc-ya-duh had a son by the name of War-sar-sar and a daughter by the name of Ar-koo-yar. (See Sal. 155) Ar-le had a daughter by the name of Ah-dur-yer-skee. (See Sal. 166) My brother Sam and I are twins. My brother Sam and I are both Night Hawks. (See Daws Commission Sam, #29899, Abraham, #29900. I am enrolled by the Daws Commission under the name of Downing/ taking the last name of my step-father Dick Downing.)

Akey Tuggle being first duly sworn, deposes and says:

That I am 18 years of age. I claim my Indian descent through both parents. My father was nearly half Indian. My mother was a full blood Cherokee. My husband is a full blood white man. My father was about 50 when he died. My mother was about 43 years old when she died. Don't know whether my father or mother ever received any Old Settler money. Both of my father's parents were Indian. Betsy Shelton and Tom Ross were my grandparents on my father's side. Estor Hall who has filed application #13962 is a first cousin of my father, Jeff Ross. My grandfather Tom Ross and her father, Alex Ross, were brothers. They were Old Settlers. Jeff had a brother named Rufus; don't know whether he was older or not. Armstrong Elmore is my half brother on my mother's side. His number is 1455. I am enrolled by the Dawes Commission, Cherokee roll 30055. My father had two sisters, Polly and Sarah. Sarah is living now and her name is Foreman. I suppose she has made application. They are older than my father. I think Daniel Ross was a brother of Tom. (O. S. 29) Flint. Daniel Ross had a son by the name of Tom. Tom Ross had a daughter named Elizabeth, a son named Avid, and another daughter named Emma (Ermona) - (O.S. Skin Bayou 146). Betsy and Tom Ross were never married, I think, that is, under the present custom. Betsy had a daughter named Sarah and another named Polly. (O. S. Flint 18 ?).

Akey Tuggle,

Sallisaw, Okla.

Madam:-

You have on file in this office application #14212 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your father, Jeff Ross, who was the son of Thomas Ross, and also claim through your mother, Char-kaw-he Throwfar.

I beg to advise that the names of your father and mother do not appear upon the roll of 1851; nor does the name of your grandfather Thomas Ross or your grandfather Anderson Throwfar appear upon said roll.

Please inform this office whether your ancestors were Eastern Cherokees and enrolled as such, or were they "Old Settlers"?

There is a Thomas Ross and his wife, Betsy Ross, on the "Old Settler" roll. Was he your grandfather on your father's side? In what district were your grandparents on your mother's side residing in 1851, and under what names were they enrolled?

Respectfully,

Special Commissioner.

No 14217A

ROBERT C. REDUS
ATTORNEY AT LAW
ROOMS 404 & 405
FIRST NATIONAL BANK BLDG.

BIRMINGHAM, ALA., June 7th., 1907.

Hon. Guion Miller,
Special Commissioner of Court of Claims,
Washington, D. C.

Dear Sir:-

Robert B. Ray of this city has placed in my hands, as attorney, for collection and settlement his claim growing out of the judgment of the Court of Claims in favor of the Eastern Cherokees of May 28th., 1906, under which the Court of Claims, April 29th, 1907, entered an order directing the distribution of said fund per capita.

In a recent letter addressed to him you asked that he file an application for any children that he may have. I beg to advise you for him that he has no children, so that his application #14217 can be acted on without any further inquiry as to his children.

Please advise me what is necessary to be done further in order to entitle him to a settlement of his share of said fund. If nothing further is necessary to be done, please send to him, in my care, his portion of said fund.

Thanking you in advance for any courtesy in this matter, I am,

Yours very truly,

Robert C. Redus

App. #14217.

June 19, 1907.

Robert C. Redus,
First National Bank Bldg.,
Birmingham, Alabama.

Sir:-

Your letter of June 7, 1907, relative to the application of Robert B. Ray for participation in the Eastern Cherokee fund, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state the amount each successful claimant will receive.

As there are already over 25,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If any further information is required in connection with Mr. Ray's application he will be duly notified.

Very respectfully,

NLC.

Special Commissioner.

Sir:-

Your letter of May 10, 1907, addressed to the Commissioner of Indian Affairs, has been referred to this office for reply.

Relative to the application of Wood Sizemore, you are advised that this claim has not yet been given especial consideration, as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for filing applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them. As there are already over 22,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is anything further required in connection with the claim of Wood Sizemore you will be notified.

All communications relative to this matter should be addressed to this office.

Very respectfully,

To Commissioner of Indian Affairs
Washington D.C.

Sir; enclosed find the affidavit of James Osburn
relative to the question asked by you in reference
to the Siquima family. It seems that Mr. Osburn
recalled in seems him all right in remembering
his Grand Pa Siquima and his uncles. Aunts
But can not give any dates as to Birth & death
needs Siquima's children as I was always informed
by my Father and Grand Mother who was the daughter
of James and Catherine Hart who was the daughter
of Ned Siquima Sr. That there was George, Owen
Ned, Jr., William. His daughters were Catherine -
Sally - Sucky - Lydia - Dolly. George and Owen
migrated to Virginia near N. Va. It is claimed the Boys
are all dead except Owen. It was claimed that
he was still living a short time ago in W. Va. I have
understood from the Alder Cityers that Ned, Sr.,
died in Allegany Co. Md. and was buried with
Indian custom and his grave died in Tenn.
It seems almost impossible to get up exact dates
of the Birth or deaths of that family by the people now
living. I have a letter from the clerk of the church in
Allegany Co. Md. who states there was a Baptist church
organized in 1817 that Edward Siquima, Rebecca Siquima
Anna Siquima was in the organization. In the year
1865 the church was revised and, within one of
the Siquima appeared in the revision. So the Siquima
family must to some all left or died same time
between 1817 and 1865 but at what date we do
yet are not able to tell. But we can tell this
certainly that it has been proved by the Alder City
some times that two was Cherokee Indian and was called
been recognized and treated as such yours truly

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.**

Sir:

Replying to your letter of recent date relative to the Eastern Cherokee enrollment, you are advised that since filing my report of May 28, 1909, with the Court of Claims, the matter has passed entirely beyond my control.

My report sets forth why, in my opinion, the claims admitted should be admitted and those rejected should be rejected. The matter now rests with the Court and the only way that my decision can be reviewed is by filing exceptions in accordance with the order of the Court of June 10, 1909.

No blank forms will be furnished for the filing of these exceptions.

Under the order of the Court of Claims of April 29, 1907, it was necessary for claimants to file an application prior to August 31, 1907, and to prove that they were Eastern Cherokee Indians by blood, descended from Indians who were recognized parties to the Treaties of 1835-6, and 1846, and to further prove that they were not Old Settler Cherokees, and that they, or their immediate ancestors, had not since the Treaty of 1846 affiliated with any tribe or band of Indians other than the Cherokee Nation.

The application about which inquiry is made in your letter was rejected because the claimant failed to bring himself within these requirements.

Very respectfully,

GUION MILLER,
Special Commissioner.

Harriett Miller, --being duly sworn, deposes and says:

My name is Harriett Miller. I am 58 years old. I lived in South Carolina before coming here. I never lived west of the Mississippi. I claim to have Cherokee Indian blood. My mother always told me so. I never received any money from the Government. I never lived with the Indians. They always claimed me. My mother was white and I was free-born. My father was an Indian. My father was Green Norris. He lived in South Carolina. He died when I was small. He was tolerably old when he died. I never heard my father say anything about being enrolled. They lived way up in the mountains and I suppose they did not know anything about it. I never heard anything about the enrollment. ~~Green~~ John Redmond was my father's father's name. Green Redmond is a mistake in the application. My father was sometimes called Green Redmond over in North Carolina. My father was called Green Norris. John Redmond was a full Indian. I don't know whether he lived among the Indians. I have seen an Indian John Redmond but I do not know whether he is my grandfather. I did not want to go with the Indians. I never heard about their attending meetings, but I attended some of their meetings. The only reason I can give is that they were ignorant and did not enroll. My mother was a white woman, and I am Indian and white.

Harriett Miller, --

ASm
Harriett Miller. I am 58 years old. I lived in South Carolina before coming here. I never lived west of the Mississippi. I claim to have Cherokee Indian blood. My mother always told me so. I never received any money from the Government. I never lived with the Indians. They always claimed me. My mother was white and I was free-born. My father was an Indian. My father was Green Norris. He lived in South Carolina. He died when I was small. He was tolerably old when he died. I never heard my father say anything about being enrolled. They lived way up in the mountains and I suppose they did not know anything about it. I never heard anything about the enrollment. ~~Green~~ John Redmond was my father's father's name. ~~Green Redmond is a mistake in the application.~~ My father was sometimes called Green Redmond over in North Carolina. My father was called Green Norris. John Redmond was a full Indian. I don't know whether he lived among the Indians. I have seen an Indian John Redmond but I do not know whether he is my grandfather. I did not want to go with the Indians. I never heard about their attending meetings, but I attended some of their meetings. The only reason I can give is that they were ignorant and did not enroll. My mother was a white woman, and I am Indian and white.

Appln. No. 14237.

John Andrew Cantrell, being duly sworn,
deposes and says:

Summ My name is John Andrew Cantrell. I was born in 1827. Part of my life I lived in South Carolina. I know Harriett Miller. I know what her grandmother Norris swore and that was that Portugese Indian. ~~She was an illegitimate child and his mother sent him to John Redmond, who sent the boy to school. His mother sent him to John Redmond. He was called Green Norris, sometimes known as Green Redmond. She claims Indian blood through her father a Portugese Indian. Green Norris lived in 1835 and 1851. They were poor people and good citizens but did not go about much and could not read, and that is probably why they did not get enrolled. They lived up among the mountains. John Redmond was Green Norris' father. I traded with John Redmond. I never asked him anything about his Indian blood. I would suppose he was an Indian by his looks. He corresponded with the Indians but he did not live with them when I knew him. He visited them. I think I heard them speak about the treaties but cannot remember what was said. Her father was never a slave. Her mother was never slave. I know of none of her people who were slaves. (They cannot explain the word "Portugese".) I cannot tell that he ~~was~~ Cherokee Indian. Harriett Miller's mother had some Indian blood through her father Bill Richards. Bill Richards had some Indian blood said to be Choctaw. I know of nothing else. John Redmond could speak the Indian language.~~

Honorable Jeff Davis,

U. S. Senate,

Washington, D. C.

Sir:

In reply to your personal inquiry relative to the application of Alfred M. Sosbee, and members of his family, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, I have the honor to say that this case has been considered and disposed of by this office, but I do not feel at liberty to announce the conclusions reached until I make my formal report to the Court of Claims, which I hope to do in May next.

Under the circumstances I do not think any useful purpose would be served by the employment of an attorney by these parties. Certainly such attorney could do nothing until after my report to the Court has been made.

Very respectfully,

Special Commissioner.

App. #14343.

February 20, 1906.

Alford M. Sosbee,

Russellville, Polk Co., Ark.

Sir:-

You have on file in this office application #14346 for a share of the money appropriated for the Eastern Cherokee Indians in which you state that you were born in 1848 in Smith County, Texas, and that you are a great grandson of Ben Cooper of Hamblen County, Tennessee, and that you claim through your mother, Tempy Ann Clark.

I beg to advise that I cannot find the names of your ancestors on the roll of 1851 or 1875. When did your Indian ancestors emigrate from Tennessee to the West, and where did they locate in the West? Were your people what is known as "Old Settlers"? Were they of the White and Indian race, or Negro and Indian race?

Respectfully,

Special Commissioner.

LBD/AIL

#14848

Miscel.

Alfred M. Sosbee being first duly sworn, deposes and says:

That I am 80 years of age. I claim my Indian descent through my mother and her mother. My father was a white man and my wife is white. My mother was born in Hamilton Co., Tenn. in 1828. She left Tenn. about the latter part of 1843 or 1844 and came in here not far from Ft. Smith, Ark. Stayed two or three or four months, and went on then to Rush Co., Texas. Her mother was born in N. C., Jackson Co. She went to Tennessee sometime before my mother was born. She lived and died in Texas, having come there with my mother, as above stated. If they ever lived with the Indians, it was in N. C. and Tenn. Never heard them say definitely whether or not they lived with the Indians as members of the tribe. If any of them are on any Indian roll I don't know of it. Never heard of them receiving any money or land from the government. Never heard whether they were on any Old Settler roll or received any Old Settler money. I am always recognized as a mixed blood. I applied to the Dawes Commission for enrollment, but I was turned down. Don't know why. David, Tom, Ben, John, Leman, Washington were brothers of my mother. John is living now and is 68 years of age, but has not made application. My grandmother, Annie Clark, nee Cooper, lived with the Indians. She could hardly talk anything but Indian.

Alfred M. Sosbee
Signature of Witness.

Shows Indian blood to considerable degree

John Clark being first duly sworn in behalf of Alfred M. Sosbee, deposes and says:

That I am 68 years of age. I am the uncle of applicant on his mother's side. I have not filed application in this fund. From the time I recollect, the Indians were all gone and my folks did not live with them. I claim Indian descent through my mother, Annie Cooper. She died in 1869, I think, in Texas. She was about 76 years of age when she died. I have heard her say many a time that she lived with the Indians in Ga. and Tenn. I think she claimed about 1/16. I think she lived with them as a member of the tribe, because grandfather was a member of the tribe. My mother was married about 1818. After she married my father, they never lived with the Indians after that. I have understood that my mother was on some roll, way back before she was married. Never heard of them ever receiving any land or money as a result of this roll. I did not apply to the Dawes Commission. In 1851 we were living in Smith Co., Tex. Never knew that my mother or grandmother received any Old Settler payment.

State of Oklahoma. |

Before me, R. A. Howard, a notary public within and for said State and County, came Martin A. Sheppard, who after being by me duly sworn on his oath states that he resides at Ardmore, Carter County, Oklahoma, and is seventy four years old; that he was born in Knoxville, Tennessee.

Affiant says that he was acquainted with Ben Cooper of Hamilton County, Tennessee, and knew his children; that he had one daughter named Annie Cooper, who married a man by the name of William Clark, and that he was also well acquainted with William Clark. Affiant says that he was acquainted with the children of William Clark by his wife Annie, they were Jennie, Tom, Fattie Tempia Ann, John, a girl who always went by the name of "Pop", and Wash Clark. Tempia Ann ~~Cooper~~ Clark married a man by the name of L. J. Sosbee. ~~My~~ father moved with his family to Missouri about the year 1844, and the Clarks and their families including L. J. Sosbee and his family moves west from Tennessee about or between 1840 and 1842, and settled somewhere near Fort Smith, Arkansas, and from there to Smith County, Texas: Affiant says that he moved to the town of Dallas, Texas, in 1848, and at that time was about 35 or 40 miles west of where the Clark family lived; that in 1849 affiant moved to within about three and one half miles of where said Clarks lived, and has known them ~~every~~ every since. Affiant says that he knew L. J. Sosbee and his wife Tempia Ann, Tempia Ann, as before states was a daughter of William Clark and his wife Annie, the said Annie Clark being a daughter of Ben Cooper, of Hamilton County, Tennessee.

Affiant further states that his information is that the said ~~L. J.~~ Sosbee died in Smith County, Texas, in 1858. Affiant says that he continued to lived in a short distance of the Clarks until the war of 1861 broke out, which ~~immediately~~ he joined, and

from that time on lost track of the children of E. J. Sosbee and Tempia Ann Sosbee until some time after the war closed. About the close of the war or soon thereafter Alfred M. Sosbee, one of the children of E. J. and Tempia Ann Sosbee left Smith County, Texas, and as affiant was informed went to Arkansas. Affiant says that he did not again see said Alfred M. Sosbee until the year 1907, when he met him in Ardmore, Oklahoma.

Affiant says that the said Alfred M. Sosbee is a son of E. J. Sosbee and Tempia Ann Sosbee; that Tempia Ann Sosbee was a daughter of William Clark and Annie Clark; and that said Annie Clark was a daughter of Ben Cooper of Hamilton County, Tennessee.

Affiant further says that the said Ben Cooper was a Cherokee Indian by blood. Further affiant sayeth not.

Martin A. Sheppard

Subscribed and sworn to before me this 23rd day of June, 1908, and I certify that the said Martin A. Sheppard is a credible person, and worthy of belief.

Sir:-

You have on file in this office application #14248 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your mother, Annettie Watson, who was a daughter of William Tidwell and Matilda Tidwell nee Payne, who was a daughter of Samuel Payne of North Carolina and Mary Payne, whose name appears upon page 17 of the roll of 1851, 52d Congress, First Session, House of Representatives, Miscellaneous No. 64.

I beg to advise that the name of your ancestor, Samuel Payne, does not appear upon the roll of 1835 or 1851. There has also been filed in this office application by your grandmother, Matilda Katharine Tidwell, of Fall River, Tennessee, in which she states that she claims by right of her great grandfather, William Payne, who was a full-blood Cherokee Indian. She makes no reference to a Samuel Payne, giving as her father, Thomas C. Payne; therefore, showing a discrepancy in your application. Your grandmother should have been enrolled if she was an Eastern Cherokee Indian. Do you know why she was not enrolled, and why none of her brothers and sisters were enrolled in 1851?

Your mother has also filed applications in this office, in

L.E.W.

which she states that her grandfather was Thomas Payne, and not Samuel Payne. Please furnish this office with the true history of your Indian ancestors, tracing from your full-blood ancestor, and stating where he or she resided in 1835 if living. Also state why the said ancestor was not enrolled in 1835, and why none of your people were enrolled in 1851.

None of the money appropriated for the Eastern Cherokee Indians.

App. #17725.
Group #14248.

February 20, 1908.

Matilda K. Tidwell,
Fallriver, Lawrence Co., Tenn.

Madam:-

You have on file in this office application #17725 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you were born in 1837 in Giles County, Tennessee, and that you claim by right of your great grandfather, William Payne, who was a full-blood Cherokee Indian.

I beg to advise that the name of your great grandfather does not appear upon the roll of 1835; nor does the name of your father, Thomas C. Payne, appear upon the roll of 1835 or 1851.

Why were they never enrolled? Why were you not enrolled in 1851? Was your father of the White and Indian race, or Negro and Indian race? Were you or any of your people ever held as a slave by the Cherokee Indians or by White people? To what race of people does your mother belong?

Respectfully,

Special Commissioner.

Madam:-

Replying to your letter of June 28, 1907, relative to the applications of yourself, minor child, and Martha E. Bogue, you are advised that none of the Eastern Cherokee applications have been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state just how much each successful claimant will receive.

As there are already over 28,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

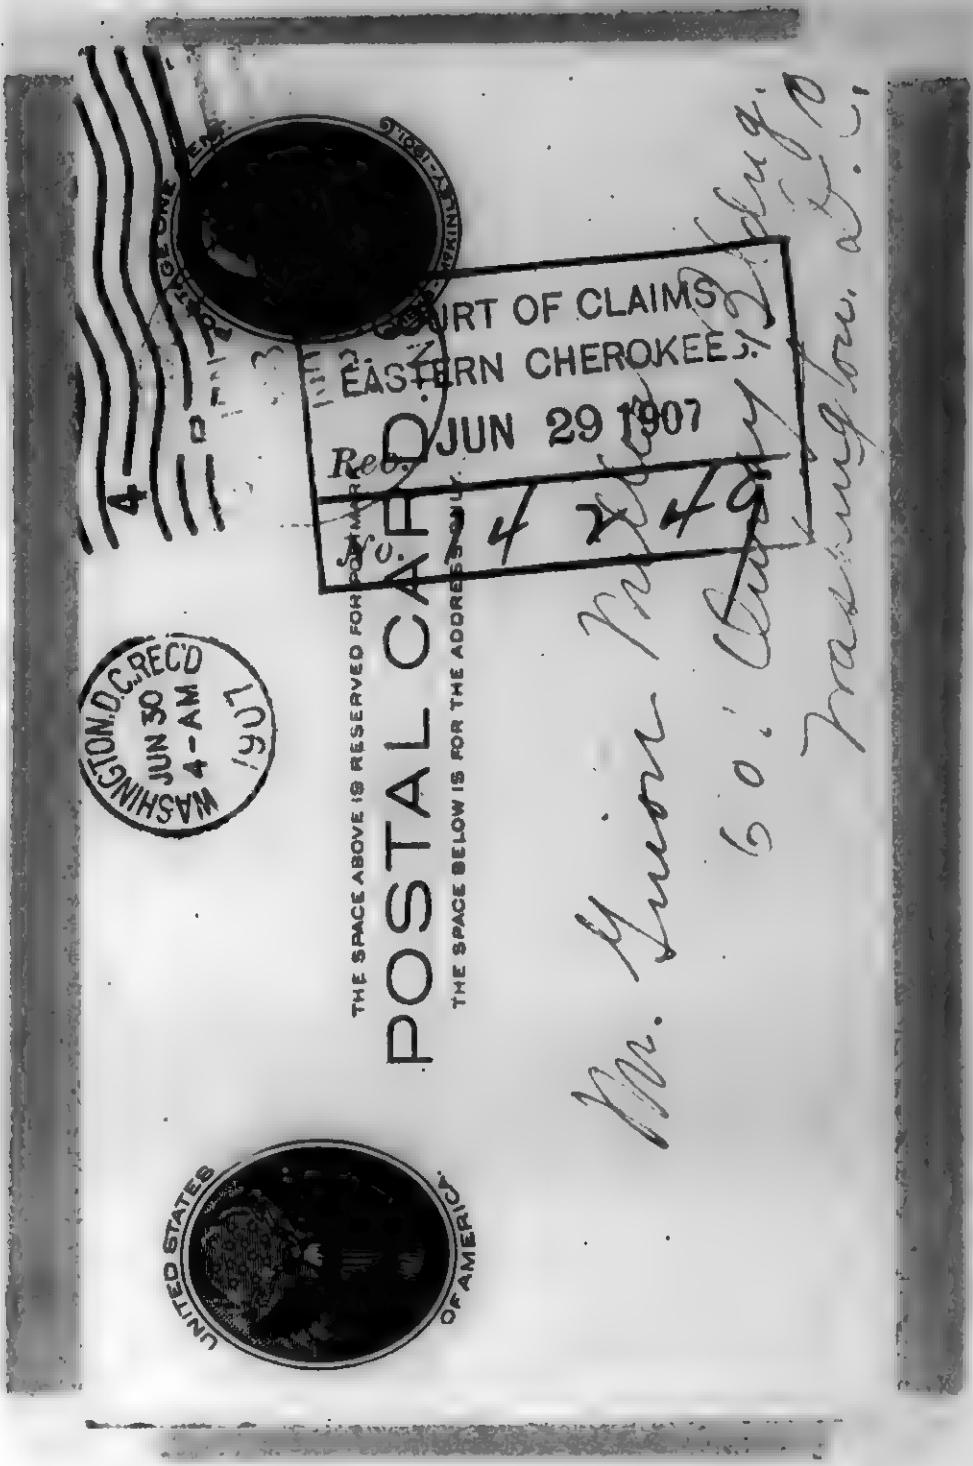

If Martha E. Bogue has any minor children she should file a supplemental application in their behalf.

A supplemental application blank is inclosed.

Very respectfully,

NLC.

Dear Sir

I wish to write a little additional information with regard to applications to 14249-14250-14251 in fact it concerns all who run back to Martha Elmore.

She was an indian girl taken with six others from the Cherokee Reservation East to get some education I think among Friends either in the limits of Cane Creek or Center Monthly meetings as they were named at that time.

They were in the Counties of Guilford

and Randolph N. Cardina also
my father Herman H. Allen was
born in the limits of Pine Creek
Monthly Meeting and in all probability
recorded there, and my Mother, who
was a Grand Daughter of Martha
Elinore who married Hezekiah
Sanders, was born in the limits
of Center Monthly Meeting. Her name
Ann Clark. Daughter of Daniel
and Mary Clark. We ask your
honorable body to notice the

states:

I know the father of applicant, George Mc Daniel. I guess he would be about 60 years old if he were living. Believe he was the oldest child. I don't know the name of George's father. His mother was Polly Sueykiller, and her father was Jim Sueykiller. Dave, Tom, Simon, Inman, Alex and William were the brothers of Polly. They lived in Illinois District. They all died before the war except Alex. I don't know whether Polly Sueykiller was married to McDaniel in 1851 or not. The Sueykillers were full blood Cherokees. Do not know whether they were Emigrants or Old Settlers.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office why your father and your mother, William and Nannie Mackey, were not enrolled on Eastern Cherokee enrollment of 1851. Also state why your grandparents on your father's side were not enrolled on said enrollment.

What were the Indian names of your great-grandparents, Jack and Anna Thompson; if enrolled in Cherokee enrollment of 1835, they must have been enrolled using Indian names.

Also state the Indian names of your uncles, William and Alexander Thompson. If your father and mother were enrolled as you state, they must have been enrolled by Indian names, so kindly aid us in connecting you with the Cherokee Tribe by giving their Indian names, also the Indian names of your ancestors as far as you know.

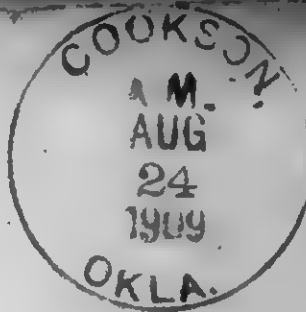

Please give this matter prompt attention and refer to the number of your application in your reply.

Very respectfully,

Hunter Poorbear, being duly sworn, deposes and says:

My name is Hunter Poorbear. My age is about 62. I was born and raised in Flint District. George Johnson does not live with me, but I am Guardian. Geo. Johnson was enrolled by the Dawes Commission. He got the strip payment. He is a full-blood Cherokee. His father's name was Dave Johnson. His Indian name is Da-we. I don't know whether he is dead or living. I don't know whether he was enrolled in 1851. If he was enrolled it was in Sequoyah. I don't know whether Dave Johnson had any brothers and sisters. His father's name was George Johnson. He lived in Sequoyah. He had a brother by the name of ~~Smith~~ Anderson Johnson who lived in Flint. I do not recall any others although they were a pretty large family. There was one named Ben; the youngest I think there was one named Jim.

Ah-yah-nu-ly was Geo. Johnson's mother's name. I do not know her English name. She had a brother named Dah-dih-yu-lah. Oo-loo-chi and another named Oo-nic-a-lah-he, were sisters. Oo-soun-nee was a brother. His grandmother on his mother's side was named Annie and she lived in Sequoyah. I don't know his mother's father's name. I don't know whether any of these people have received Emigrant money. I don't know any reason for their not being enrolled in 1851, if they are not. They may have had English names but I do not know them. They were full-blood Cherokees. I do not know of their associating with any other tribe of Indians.

Dear sir:

In reply to your Communication in regard to my claim for the Eastern Emigrant Fund, claim no. 14277, I will say in reply that my father was not on the rolls of the old settlers, and that his name was William and am not certain whether he was enrolled as William or Bill he also had a Cherokee name that was something like this We-lis-scoo-wauit, or some thing like that, cant spell it like it should be and dont know the english meaning of the term.

On my father's side was Jim McCracken and Charlotte Walker and I think that they were dead in 1851, but am not certain about this, my claim comes through my father. The only set of Indian McCrackens on the rolls of the Cherokees.

I am very repst.

Rufus W. Mc Cracken being first duly sworn, deposes and says:

I am 44 years of age. I was born and raised in Oklahoma. I claim my Cherokee blood through both parents. My mother was an Old Settler but my father was an Emigrant - that is, I suppose he was, as his name is not on the Old Settler roll. My father was named William McCracken. He either lived in Coe-wee-woe-woe or Going Snake District. Wee-le-ska-wal-te was the Indian name that my father had. He went by the name of McCracken. My father got his Indian blood through his mother, Charlotte Worfford. She married McCracken. I do not know the Indian name of Charlotte Worfford. Ja-lah-ju-but-lih is Worfford in Cherokee. Wade Shirley raised my father and they lived in Going Snake District. Co-tah-ska-wat was probably the name of my father, - Wee-le Co-huh-ska-wat. My father had no sisters and brothers that I ever knew of. I never heard my father say that he drew money in 1851 from the government. I never heard anyone say that he drew money at that time.. Ellen McCracken was the name of my mother but she was an Old Settler. (Witness does not know of anyone who can testify for him).

Sir:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state why your parents were not enrolled in 1851? Give the names of your grandparents on both sides? Where were they born? Where did they reside in 1851?

Give the full names of your aunts and uncles? Why have you never been enrolled? Were any of your ancestors slaves? State clearly your reasons for thinking that you are a descendant of the Cherokees?

The application you have filed contains almost no information, and unless you can furnish this office with the information asked herein your claim cannot be ^{further} considered. An early reply will be appreciated.

Very respectfully,

Chief Clerk.

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state the names of your father and mother, and the names of your grandparents on both sides? Also give the names of your aunts and uncles?

Why were your parents never enrolled? Were they living in 1851? Why were you never enrolled?

There is practically no info given in your application, and unless you furnish info once with your reasons for thinking that your ancestors were Cherokees, your application cannot be considered.

Abner P. Smitherman being first duly sworn deposes and says:

I live near East Bend. I am 78 years of age, and was born near the Yadkin river, about 4 miles from East Bend, and have lived in Yadkin County all of my life. My wife was a Truelove, and her grandfather was a Poindexter. Her grandfather's name was J. G. Poindexter. My wife was Sallie Truelove, and were both about 25 at the time of our marriage. Her father was Austin Truelove, and her mother Pattie Poindexter. I have never seen Pattie Poindexter, that I know of. I knew her father, J. G. Poindexter, quite well. He was close to 80 years of age when he died in 1863. I had known him ever since I was a little boy. If I mistake not, he was an uncle of Pleasant H. Poindexter. I think I have heard J. G. Poindexter speak of his mother, Bettie Plodge Poindexter, and his grandmother. J. G. Poindexter passed in his community as a white man. I do not know that I ever heard him speak of having Indian blood. I do not remember ever hearing him speak of being descended from an Indian chief. I first heard that the Poindexters had Indian blood when I was a little fellow. Some of the old folks spoke of it. Peggie Ann Baker is dead, having died a little over a year ago. She was the mother of Jno. William P. Baker, and ~~was~~ the daughter of John G. Poindexter, and, therefore, sister of my wife's mother. I have never seen but two or three Indians in my life, and never heard of any tribe living in this country in my lifetime. The Indians I saw were with a show. I have never heard where Bettie Plodge Poindexter came from originally. J. W. Smitherman is my oldest living son, and has filed a claim in this office. T. A. Smitherman, my second son, J. A. Smitherman, R. A. Smitherman are my boys. Sarah Milner Poindexter, Ellen Lucinda Walls, and Mattie Patterson, are my daughters, and all of my children live at or near East Bend.

My name is John Blackfox. My age is somewhere in the 50's. I was enrolled by the Dawes Commission. I have not my Roll number with me. I got the bread and strip money. I think I am on the 1851 Roll. I was born in Going Snake District. I was raised an orphan and an old man by the name of Black Fox raised me. My father's name was Dick-ah-dah-leeh-tees-ky. The name in the application is evidently not spelled correctly. My name is Guh-keh-dey in Cherokee. My father is dead. He has been dead a long time. He came from the Eastern States. I was the only boy. One sister was named Gah-le-law-he. She lived in Going Snake District. She never lived in any other District that I know of. I do not know of any other name she may have had. Another sister was Chi-con-na-la. Lid-dj was another. She lived in Going Snake. She came from the East. She lived in some other District but I do not know which. Hi-yah-ni was another sister. My grandfather was Gun-nah-ah-guh-nuh-lee; Old Turkey was my grandfather's name, in English. He died on the way out here. I think he was enrolled in 1835 as he was a very old man. (Look on the Roll of 1835.) I don't know any brothers to Old Turkey. Up-the-branch is the English of my father's Indian name. *gs. 499*

My mother's name was Gah-le-law-hee. She went further west. I don't know my mother's father, nor her mother. I don't know why my father is not enrolled, if he is not. He went to Fort Gibson and drew money. He was Emigrant. My people never associated with any other tribe of Indians. I have no brothers and sisters that I know of.

Madam: Your favors of the 22nd and 23d received. As to the Waldon claims, they live about one hundred miles from here and it will be quite expensive for me to go there and get conveyance to go see them and get a Notary Public to go with me. I can get affidavits that they were not allowed to vote after 1835 on account of the Indian blood, that they were not allowed to muster, that they lived off to themselves and did not associate with the whites, that they married and intermarried almost exclusively among themselves, that they lived in a pine woods country and was almost secluded from other people, that Wm.

Waldon and Nancy Clover is at least three fourth Cherokee Indian. That their descendant show their Cherokee Indian blood plainly down to the present day. That they are do-day and have always been considered Cherokee Indians. I do not think they were ever on any Cherokee roll and have no information as to their drawing clothing. If this will give you anything to hold to, then we will go down there, although it cost a great deal to go, if not we do not care to go to the expense of going.

We sent you in some affidavits some time ago which we think covered the above if you will look them up.

Please do not let those cases that claim through Wm. Harris pass without giving us a chance to get further evidence for I think I can get some good evidence for them.

Very truly yours,

Pilot Mountain, N.C. Feb. 10. 1908.

Mrs Belva A. Lockwood,
Washington, D.C.

Madam: Yours of the 2nd received and contents noted.

In regard to the affidavits as to the Cherokee blood of Jordan, Elias and Polly Revels, the affidavits cover all the Revels filed in the office from Stokes, Surry Counties, among them are Oliver, Amos and Margaret Revels, also W.C. Revels and several others.

As to Mr. Millers coming, I will be glad for him to come and am at his service, as to locating the parties, ect when he comes. The most convenient point to all of the claimants is at Pilot Mountain, as it is located within half mile of the County line and the claimants are in both counties near the line.

I would be glad for you to come also, so you can see for your self and can better understand how to present the matter to the court. As to the route from Lynchburg to Pilot Mountain you come right on through Danville and on to Greensboro where you change cars for Pilot Mountain. You will leave Greensboro about 5 o'clock P.M. and reach Pilot Mountain at 7:30 P.M. We have good hotel facilities here and the roads at that season of the year are generally good, and can get livery turnouts

to go anywhere from here. There are two Railroads running through Stokes and Surry Counties. Creeks and rivers are generally bridged and you will have no trouble in traveling.

I want all my clients that are justly entitled to this money to have it and no other. I feel sure that when he comes and investigates the claims that he will say that they are entitled to their share.

Please let me know whether he will subpoena witnesses to a certain point or whether he will go to their homes. Also if he will allow a cross examination, which I suppose he will. That is what I particularly want you here for.

Yours truly,

My name is Isaac Sourjohn. I am 28 years old. I am the husband of Maggie Samjohn. My wife was born in Saline District. She is 22 years old. I think my wife's father was John Kingfisher. His Cherokee name was Oo-na-chos-tee. I have heard that my wife's father was enrolled in 1851 in Delaware District. His first wife was Gah-le-lo-he. My wife has a half-brother by the name of Black-Fox Kingfisher. He is living now at Peggs, Okla. (see Del 525 for father, and uncle) (See also 526 for Grandfather, Broken Canoe or John Kingfisher) See testimony in #8272, Nakié Dreadfulwater.

All my wife's ancestors were Emigrant Cherokees. None of them were Old Settlers. My wife was enrolled and drew the Strip Payment in 1894. She was enrolled by the Dawes Commission as a full-blood under the name of Nakié Kingfisher. 29841.
